X54 Allround Home

The New Standard for Home Coffee Grinders

The X54 Allround Home Grinder is the home barista's gateway to pro-level grinding and more delicious coffee. Drawing from a century of innovation and passion for professional grinders, we built the X54 to bring the cutting-edge technology and burrs that made us known by baristas around the world to your home kitchen.

At a glance, the X54 Allround Home Grinder includes powerful 54mm special steel burrs made in Germany and a stepless grind size adjustment that works for all brewing types—from espresso to cold brew at the turn of a dial. The grinder has premium features, like the intuitive digital display with four time presets and manual mode, and the connected Mahlkönig Home app with personalized statistics, recipes, and brewing guides.

The Allround Grinder for Every Kind of Coffee Passion

Dial in your coffee to perfection, no matter what brewing methods you prefer. The X54 Allround Home's stepless grind size adjustment knob offers the precision and flexibility a home barista needs to make stellar coffee with any brew method.

Built for a Lifetime

We build long-lasting products. The X54's motor has a lifetime of 25.000+ shots (30 years pulling two shots per day).

Simple Digital Display

Keep it easy on the eyes. The multifunctional, premium LED display screen is intuitive to use with four time presets and a manual mode.

Swappable Fronts

Grind it your way. Dose into the included dosing cup, or directly into your portafilter. Swapping the front attachments takes seconds.

Professional Grade 54 mm Special Steel Flat Burrs

Exceptional burrs are the key to consistent and uniform grounds. We placed the same quality burrs that Mahlkönig is known for among coffee professionals in the X54 to unlock pro-level grinding in the home kitchen.
